

Annex to the letter of 21 April 2016

## European Certification Body GmbH

### CERTIFICATE OF OBLIGATION

METALSAFE s.r.o. has applied for the product certification for

**Safes of resistance grade 0 according to EN 1143-1:2012**  
Series MST 00 (Types 00/1, 00/2, 00/3, 00/4, 00/5 and 00/6)

with the European Certification Body GmbH as certification body according to ISO/IEC 17065 in compliance with section 2 of the Certification Guideline ECB•S C10.

The undersigned company confirms having knowledge of

- the European Standard EN 1143-1:2012,
- the Certification Guideline ECB•S C10 (in its latest version),
- the conditions for the use of the ECB•S logo ECB•S R09 (in its latest version),
- the guideline for quality surveillance of filling materials ECB•S R07.

and unconditionally accepts them as binding.

The certificate holder declares that he will affix the certification mark only on products for which a product certification has been issued by ECB GmbH and which comply with the technical documentation listed in the certificate.

In addition he declares to inform the certification body of essentially production changes.
